All dwellings must have at least 2,200 square feet of living area, excluding porches, measured from the exterior walls, under one roof. All masonry portions shall be of quality materials and appearance equal or superior to standard clay, slate, common bricks, color pigment portland cement bricks, stucco or quarried stone.

No sign of any kind shall be erected by an Owner or occupant without the prior written consent of the appropriate reviewing body, as applicable, except such signs as may be required by legal proceedings and not more than one (1) professional security sign of such size deemed reasonable by the Committee in its sole discretion. Unless in compliance with this Section, no signs shall be posted or erected by any Owner or occupant within any portion of Lake Ridge at Joe Pool Lake, including the Common Area, any Lot or Tract, any structure, or dwelling located on the Common Area or any Lot (if such sign would be visible from the exterior of such structure or dwelling as determined in the reviewing body's sole discretion) or from any Private Amenity.

The Developer and the Committee reserve the right to prohibit signs and to restrict the size, content, color, lettering, design, and placement of any approved signs. All authorized signs must be professionally prepared. Section 4.01 Basic Control.

a. No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced or changes made in the design or exterior appearance thereof (excluding, without limitation, painting, staining or siding), or any addition or exterior alteration made thereto after original construction, or demolition or destruction by voluntary action made thereto after original construction, on any Tract in the Subdivision until the necessary approval (as hereinafter provided) of the construction plans and specifications for the construction or alteration of such improvements or demolition or destruction of existing improvements by voluntary action has been obtained from the Committee. Approval by the Committee shall in no way effect the Owner's obligation to comply with all governmental laws and City of Cedar Hill regulations.

b. Each application made to the Committee or to the Developer under Section 4.02. below shall be accompanied by three (3) sets of plans and specifications for all proposed construction (initial or alteration) to be done on such Tract, including plot plans showing location on the Tract. Upon receipt, the Committee shall forward one set of the plans and specifications to the Developer.

Section 4.02 Architectural Control Committee.

a. The authority to grant or withhold architectural control approval as referred to above is initially vested in the Developer; provided, however, the authority of the Developer shall cease and terminate upon the formation of The Summit Property Owners Architectural Control Committee (the "Committee"), in which event such authority shall be vested in and exercised by the Committee (as provided in (b) below), hereinafter referred to, except as to plans and specifications and plot plans theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plot plans. The term "Committee", as used in this

Declaration, shall mean or refer to the Developer until the Architectural Control Committee is formed as provided below.

b. Developer shall select and appoint three property owners in Section 22A to serve as the Architectural Control Committee. These three shall also serve as the initial Board of Directors for The Summit Property Owners Association. These three owners shall serve in both positions until a new Architectural Control Committee and a new SubAssociation Board of Directors are elected at the next succeeding annual meeting following the Control Transfer Date. Only the initial Board of Directors must be the same people who serve as the Architectural Control Committee.

c. At a date wherein seventy-five percent (75%) of all of the Tracts in the Subdivision are conveyed by Developer to third parties or when all infrastructure development, Tract development and construction by the Developer is 100% complete within the Subdivision, whichever date is later, (from time to time hereafter referred to as the "Control Transfer Date") then in the Developer's sole discretion, the Developer shall cause an instrument transferring control to the SubAssociation to be placed of record in the Real Property Records of Ellis County, Texas (which instrument shall include the Control Transfer Date). Thereupon, the SubAssociation shall elect a committee of three (3) members to be known as The Summit Architectural Control Committee. From and after the Control Transfer Date, each member of the Committee must be an Owner of property in Section 22A. Additionally, the Developer shall have the right to discontinue the exercise of architectural control privileges and arrange for the transfer to the SubAssociation at any time prior to the Control Transfer Date by filing a statement and instrument to such effect in the Real Property Records of Ellis County, Texas.

Section 4.03 Effect of Inaction. Approval or disapproval as to architectural control matters as set forth in the preceding provisions of this Declaration shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plot plans received by it in compliance with the preceding provisions within thirty (30) days following such submissions, such plans and specifications and plot plan shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plot plan and all of the other terms and provisions hereof.

Section 4.04 Effect of Approval. The granting of the aforesaid approval (whether in writing or by lapse of time) shall constitute only an expression of opinion by the Committee that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plot plan; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plot plan, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reasons of the good faith exercise thereof.

Section 4.05 Variance. The Developer and the Committee, may authorize variances from compliance with any of the provisions of this Declaration or minimum acceptable construction standards or regulations and requirements as promulgated from time to time by the Developer and the Committee when circumstances such as topography, natural obstructions, Tract configuration, Tract size, hardship, aesthetic or environmental considerations may require a variance. The Developer and the Committee reserve the right to grant variances as to building set-back lines, minimum square footage of the residence and other items. Such variances must be evidenced in writing and shall become effective when signed by the

Developer or by at least a majority of the members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance by the Developer or the Committee, effect in any way the Owner's obligation to comply with all governmental laws and City of Cedar Hill regulations affecting the property concerned and the Plat.

Section 5.04 Owner's Right of Enjoyment. Every Owner shall have a beneficial interest of use and enjoyment in and to the Common Areas and such right shall be appurtenant to and shall pass with the title to every assessed Tract, subject to the following provisions:

- b. The right of the Association to charge reasonable admission and other fees for the use of any facility situated upon the Common Areas;
- c. The right of the Association, in accordance with its Articles and Bylaws (and until the Control Transfer Date, subject to the prior written approval of the Developer), to (i) borrow money for the purpose of improving and maintaining the Common Areas and facilities (including borrowing from the Developer or any entity affiliated with the Developer) and (ii) mortgage said

ARTICLE VI
LAKE RIDGE AT JOE POOL LAKE PROPERTY
OWNERS ASSOCIATION MAINTENANCE FUND

Section 6.01 Maintenance Fund Obligation. Each Owner of a Tract within the Subdivision, by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agrees to pay to the Association a annual maintenance charge (the "Maintenance Charge"), and any other assessments or charges hereby levied. The Maintenance Charge and any other assessments or charges hereby levied, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Tracts and shall be a continuing lien upon the property against which each such Maintenance Charge and other charges and assessments are made.

Section 6.02 Basis of the Maintenance Charge.

a. The Maintenance Charge referred to shall be used to create a fund to be known as the "Maintenance Fund," which shall be used as herein provided; and each such Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner of each Tract to the Association. The Maintenance Charge for the year of purchase shall be prorated at closing and then shall be paid annually, in advance, on or before the first (1st) day of the first (1st) month of each calendar year. Provided, however, that if an Owner owns more than one Tract in Lake Ridge at Joe Pool Lake, such Owner shall pay only twice the assessment of one (1) Tract no matter how many Tracts are owned. In the event an Owner obtains consent for a Composite Building site pursuant to Section 3.02 hereof, such Composite Building Site shall, for this purpose, be considered one Tract beginning upon the completion of the improvements thereon.

b. Any Maintenance Charge not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of Eighteen percent (18%) per annum or (ii) the maximum rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter described lien against the Owner's Tract. No Owner may waive or otherwise escape liability for the Maintenance Charge by non-use of any Common Areas or recreational facilities available for use by Owners of the Subdivision or by the abandonment of his Tract.

c. The exact amount of the Maintenance Charge applicable to each Tract will be determined by the Developer. All other matters relating to the Maintenance Charge and the collection, expenditures and administration of

the Maintenance Fund shall be determined by the Developer or the Board of Directors of the Association, subject to contrary provisions hereof.

d. The Association, from and after the Control Transfer Date, shall have the further right at any time, with a majority vote of all Association members, to adjust or alter said Maintenance Charge from year to year as it deems proper to meet the reasonable operation expenses and reserve requirements of the Association in order for the Association to carry out its duties hereunder.

Section 6.03 Creation of Lien and Personal Obligation. In order to secure the payment of the Maintenance Charge, and other charges and assessments hereby levied, each Owner of a Tract in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Tract which may be foreclosed on by non-judicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of written instrument executed by the President or any Vice-President of the Association and filed for record in the Real Property Records of Ellis County, Texas. In the event that the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the Association, Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended, and shall convey such Tract to the highest bidder for cash by Special Warranty Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second (2nd), from such proceeds there shall be paid to the Association an amount equal to the amount in default; and third (3rd), the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Tract foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

In the event of non-payment by any Owner of any Maintenance Charge or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such nonpaying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this Section 6.03 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice-President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Ellis County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

Section 6.04 Notice of Lien. In addition to the right of the Association to enforce the Maintenance Charge or other charge or assessment levied hereunder, the Association may file a claim or lien against the Tract of the delinquent Owner by recording a notice ("Notice of Lien") setting forth:

- a. The amount of the claim of delinquency,
- b. The interest thereon,
- c. The costs of collection which have accrued thereon,
- d. The legal description and Street address of the Tract against which the lien is claimed and
- e. The name of the Owner thereof.

Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such release of lien instrument.

Section 6.05 Liens Subordinate to Mortgages. The lien described in this Article VI shall be deemed subordinate to a first (1st) lien or other liens of any bank, insurance company, savings and loan Association, university, pension and profit sharing trusts or plans, or any other third (3rd) party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Tract and any renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Tract who obtains title to such Tract pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Tract free and clear of any claims for unpaid Maintenance Charges or other charges of assessments against such Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any Maintenance Charge or other charges or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Tract shall not affect the Association's lien for Maintenance Charges or other charges or assessments. The Association shall make a good faith effort to give each such mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of the lien described in Section 6.01 hereof, which notice shall be sent to the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent Maintenance Charges or other charges or assessments upon which the proposed action is based; provided, however, that the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VI.

Section 6.06 Purpose of the Maintenance Charge. The Maintenance Charge levied by the Developer or the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners of Lake Ridge at Joe Pool Lake and other portions of the Annexable Area which hereafter may become subject to the jurisdiction of the Association. In particular, the Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described in Article X, including the maintenance of any Common Areas, any Drainage Easements and the establishment and maintenance of a reserve fund for maintenance of any Common Areas. The Maintenance Fund may be expended by the Developer or the Association for any purposes which, in the judgment of the Association, will tend to maintain the property values in Lake Ridge at Joe Pool Lake, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and

maintenance of the Common Area as may from time to time be authorized by the Association. Except for the Association's use of the Maintenance Charge to perform its duties described in this Declaration and in the Bylaws, the use of the Maintenance Charge for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

Section 6.07 Exempt Property. The following property subject to this Declaration shall be exempt from the Maintenance Charge and all other charges and assessments created herein:

- a. All properties dedicated to and accepted by a local public authority;
- b. The Common Area of the Association or any SubAssociation and;
- c. All properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas; however, no land or improvements devoted to Dwelling use shall be exempt from said Maintenance Charge.

Section 6.08 Handling of Maintenance Charges. The collection and management of the Maintenance Charge or other charge or assessment levied hereunder, shall be performed by the Developer until the Control Transfer Date, at which time the Developer shall deliver to the Association all funds on hand together with all books and records of receipt and disbursements. The Developer and, upon transfer, the Association, shall maintain separate special accounts for these funds, and Owners shall be provided, at least annually, information on the Maintenance Fund.

ARTICLE VII THE SUMMIT PROPERTY OWNERS ASSOCIATION

Section 7.01 Membership. Every person or entity who is a record Owner of any Tract in the Subdivision which is subject to the maintenance charge (or could be following the withdrawal of an exemption therefrom) and other assessments provided herein, including contract sellers, shall be a "Member" of the SubAssociation. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation or those having only an interest in the mineral estate. Owners shall have one membership for each Tract owned by such Member. Memberships shall be appurtenant to and may not be separated from the ownership of the Tracts. Regardless of the number of persons who may own a Tract (such as husband and wife, or joint tenants, etc.) there shall be but one membership for each Tract. Additionally, the Directors of the SubAssociation must be Members of the SubAssociation (as more particularly described in the By-laws). Ownership of the Tracts shall be the sole qualification for membership. The voting rights of the Members are set forth in the Bylaws of the SubAssociation. However, the restrictive covenants will not be construed as to assess the Veterans Land Board or the State of Texas. Any assessments are the personal obligation of the Veteran purchaser, his successors, heirs and assigns. Any lien imposed by the restrictive covenants does not affect the Veterans Land Board's interest in the property.

Section 7.02 Non-Profit Corporation. The Summit Property Owners Association, Inc., (the "SubAssociation"), a non-profit corporation, has been (or will be) organized and it shall be governed by the Articles of Incorporation and Bylaws of said SubAssociation; and all duties, obligations, benefits, liens and rights hereunder in favor of the SubAssociation shall vest in said corporation. The SubAssociation may not be dissolved without the written consent of the City of Cedar Hill.

Section 7.03 Bylaws. The SubAssociation has adopted or may adopt whatever Bylaws it may choose to govern the organization or operation of the Subdivision and

the use and enjoyment of the Tracts and Common Areas, provided that the same are not in conflict with the terms and provisions hereof.

Section 7.04 Owner's Right of Enjoyment. Every Owner shall have a beneficial interest of use and enjoyment in and to the Common Areas and such right shall be appurtenant to and shall pass with the title to every assessed Tract, subject to the following provisions:

- a. The right of the SubAssociation, with respect to the Common Areas, to limit the number of guests of Owners;
- b. The right of the SubAssociation to charge reasonable admission and other fees for the use of any facility situated upon the Common Areas;
- c. The right of the SubAssociation, in accordance with its Articles and Bylaws (and until the later of seventy-five percent (75%) of all Tracts in the Subdivision are sold, or all infrastructure construction is complete, all the development of Tracts is completed and all construction is completed by the Developer, i.e. the Control Transfer Date, subject to the prior written approval of the Developer), to (i) borrow money for the purpose of improving and maintaining the Common Areas and facilities (including borrowing from the Developer or any entity affiliated with the Developer) and (ii) mortgage said property, however, the rights of such mortgagee of said property shall be subordinate to the rights of the Owners hereunder;
- d. The right of the SubAssociation to suspend the Member's voting rights and the Member's and "Related Users" (as hereinafter defined) right to use any recreational facilities within the Common Areas during any period in which the Maintenance Charge or any assessment against his Tract remains unpaid;
- e. The right of the SubAssociation to suspend the Member's voting rights and the Member's and Related Users' right to use any recreational facilities within the Common Area, after notice and hearing by the Board of Directors, for the infraction or violation by such Member or Related Users of this Declaration or the "Rules and Regulations", as hereinafter defined, which suspension shall continue for the duration of such infraction or violation, plus a period not to exceed sixty (60) days following the cessation or curing of such infraction or violation.

ARTICLE VIII THE SUMMIT PROPERTY OWNERS ASSOCIATION MAINTENANCE FUND

Section 8.01 SubAssociation Maintenance Fund Obligation. Each Owner of a Tract within the Subdivision, by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agrees to pay to the SubAssociation a annual maintenance charge (the "SubAssociation Maintenance Charge"), and any other assessments or charges hereby levied. The SubAssociation Maintenance Charge and any other assessments or charges hereby levied, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Tracts and shall be a continuing lien upon the property against which each such SubAssociation Maintenance Charge and other charges and assessments are made.

Section 8.02 Basis of the SubAssociation Maintenance Charge.

- a. The SubAssociation Maintenance Charge referred to shall be used to create a fund to be known as the "SubAssociation Maintenance Fund", which shall be used as herein provided; and each such SubAssociation Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner

of each Tract to the SubAssociation. The SubAssociation Maintenance Charge for the year of purchase shall be pro-rated at closing and then shall be paid annually, in advance, on or before the first (1st) day of the first (1st) month of each calendar year. Provided, however, that if an Owner owns more than one Tract in the Subdivision, such Owner shall pay only twice the assessment of one (1) Tract no matter how many Tracts are owned. In the event an Owner obtains consent from the Committee for a Composite Building site pursuant to Section 3.02 hereof, such Composite Building Site shall, for this purpose, be considered one Tract beginning upon the completion of the improvements thereon.

b. Any SubAssociation Maintenance Charge not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of Eighteen percent (18%) per annum or (ii) the maximum rate permitted by law. The SubAssociation may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter described lien against the Owner's Tract. No Owner may waive or otherwise escape liability for the SubAssociation Maintenance Charge by non-use of any Common Areas or recreational facilities available for use by Owners of the Subdivision or by the abandonment of his Tract.

c. The exact amount of the SubAssociation Maintenance Charge applicable to each Tract will be determined by the Developer. All other matters relating to the SubAssociation Maintenance Charge and the collection, expenditures and administration of the SubAssociation Maintenance Fund shall be determined by the Developer or the Board of Directors of the SubAssociation, subject to contrary provisions hereof.

d. The SubAssociation, from and after the Control Transfer Date, shall have the further right at any time, with a majority vote of all SubAssociation members, to adjust or alter said SubAssociation Maintenance Charge from year to year as it deems proper to meet the reasonable operation expenses and reserve requirements of the SubAssociation in order for the SubAssociation to carry out its duties hereunder.

Section 8.03 Creation of Lien and Personal Obligation. In order to secure the payment of the SubAssociation Maintenance Charge, and other charges and assessments hereby levied, each Owner of a Tract in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the SubAssociation a contractual lien on such Tract which may be foreclosed on by non-judicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the SubAssociation a power of sale in connection therewith. The SubAssociation shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the SubAssociation by means of written instrument executed by the President or any Vice-President of the SubAssociation and filed for record in the Real Property Records of Ellis County, Texas. In the event that the SubAssociation has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the SubAssociation, or the SubAssociation's agent, shall give notice of foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the SubAssociation, Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended, and shall convey such Tract to the highest bidder for cash by General Warranty Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the SubAssociation in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second (2nd), from such proceeds there shall be paid to the SubAssociation an

amount equal to the amount in default; and third (3rd), the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Tract foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

In the event of non-payment by any Owner of any SubAssociation Maintenance Charge or other charge or assessment levied hereunder, the SubAssociation may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such nonpaying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this Section 8.03 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice-President of the SubAssociation, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Ellis County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

Section 8.04 Notice of Lien. In addition to the right of the SubAssociation to enforce the SubAssociation Maintenance Charge or other charge or assessment levied hereunder, the SubAssociation may file a claim or lien against the Tract of the delinquent Owner by recording a notice ("Notice of Lien") setting forth:

- a. The amount of the claim of delinquency,
- b. The interest thereon,
- c. The costs of collection which have accrued thereon,
- d. The legal description and Street address of the Tract against which the lien is claimed and
- e. The name of the Owner thereof.

Such Notice of Lien shall be signed and acknowledged by an officer of the SubAssociation or other duly authorized agent of the SubAssociation. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the SubAssociation shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such release of lien instrument.

Section 8.05 Liens Subordinate to Mortgages. The lien described in this Article VIII shall be deemed subordinate to a first (1st) lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or any other third (3rd) party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Tract and any renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Tract who obtains title to such Tract pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Tract free and clear of any claims for unpaid SubAssociation Maintenance Charges or other charges of assessments against such Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any SubAssociation Maintenance Charge or other charges

or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Tract shall not affect the SubAssociation's lien for SubAssociation Maintenance Charges or other charges or assessments. The SubAssociation shall make a good faith effort to give each such mortgagee sixty (60) days advance written notice of the SubAssociation's proposed foreclosure of the lien described in Section 8.01 hereof, which notice shall be sent to the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent SubAssociation Maintenance Charges or other charges or assessments upon which the proposed action is based; provided, however, that the SubAssociation's failure to give such notice shall not impair or invalidate any foreclosure conducted by the SubAssociation pursuant to the provisions of this Article VIII.

Section 8.06 Purpose of the SubAssociation Maintenance Charge. The SubAssociation Maintenance Charge levied by the Developer or the SubAssociation shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners of the Subdivision and other portions of the Annexable Area which hereafter may become subject to the jurisdiction of the SubAssociation. In particular, the SubAssociation Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the SubAssociation's duties described in Article X, including the maintenance of any Common Areas, any Drainage Easements and the establishment and maintenance of a reserve fund for maintenance of any Common Areas. The private streets and drainage appurtenances within the Subdivision shall be maintained by the SubAssociation with the SubAssociation Maintenance Fund. The SubAssociation Maintenance Fund may be expended by the Developer or the SubAssociation for any purposes which, in the judgment of the SubAssociation, will tend to maintain the property values in the Subdivision, including, but not limited to, providing funds for the actual cost to the SubAssociation of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Area as may from time to time be authorized by the SubAssociation. Except for the SubAssociation's use of the SubAssociation Maintenance Charge to perform its duties described in this Declaration and in the Bylaws, the use of the SubAssociation Maintenance Charge for any of these purposes is permissive and not mandatory. It is understood that the judgment of the SubAssociation as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

Section 8.07 Exempt Property. The following property subject to this Declaration shall be exempt from the SubAssociation Maintenance Charge and all other charges and assessments created herein:

- a. All properties dedicated to and accepted by a local public authority;
- b. The Common Area of the Association and the SubAssociation and;
- c. All properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas; however, no land or improvements devoted to Dwelling use shall be exempt from said SubAssociation Maintenance Charge.

The collection and management of the SubAssociation Maintenance Charge or other charge or assessment levied hereunder, shall be performed by the Developer until the Control Transfer Date, at which time the Developer shall deliver to the SubAssociation all funds on hand together with all books and records of receipt and disbursements. The Developer and, upon transfer, the SubAssociation, shall maintain separate special accounts for these funds, and Owners shall be provided, at least annually, information on the SubAssociation Maintenance Fund.

Developer shall, upon the Control Transfer Date, convey or transfer such improvements to the Association or the SubAssociation and the Association or SubAssociation shall be obligated to accept title to, care for and maintain the same as elsewhere provided in this Declaration.

Any property or interest in property transferred to the Association and/or SubAssociation by Developer shall, except to the extent otherwise specifically approved by resolution of the Board of Directors, be transferred to the Association and/or SubAssociation free and clear of all liens

and mortgages (other than the lien for property taxes and assessments not then due and payable), but shall be subject to the terms of this Declaration, the terms of any declaration of covenants, conditions and restrictions annexing such property to the Common Area, and all easements, covenants, conditions, restrictions and equitable servitude or other encumbrances which do not materially affect the Owners authorized to use such property. Except as otherwise specifically approved by resolution of the Board of Directors, no property or interest in property transferred to the Association and/or the SubAssociation by the Developer shall impose upon the Association or SubAssociation any obligation to make monetary payments to Developer or any affiliate of Developer including, but not limited to, any purchase price, rent, charge or fee. The property or interest in property transferred to the Association or SubAssociation by Developer shall not impose any unreasonable or special burdens of ownership of property, including the management maintenance, replacement and operation thereof.

Section 10.03 Duty to Manage and Care for the Common Area. The Association and/or SubAssociation shall manage, operate, care for, maintain and repair all Common Areas and keep the same in a safe, attractive and desirable condition for the use and enjoyment of the Members. The duty to operate, manage and maintain the Common Areas shall include, but not be limited to the following: establishment, operation and maintenance of a security system, if any, for Lake Ridge at Joe Pool Lake and the Subdivision; management, maintenance, repair and upkeep of the entrances to Lake Ridge at Joe Pool Lake and the Subdivision and other Common Areas.

Section 10.04 Other Insurance Bonds. The Association and SubAssociation shall obtain such insurance as may be required by law, including workmen's compensation insurance, and shall have the power to obtain such other insurance and such fidelity, indemnity or other bonds as the Association or SubAssociation shall deem necessary or desirable.

Section 10.05 Duty to Prepare Budgets. The Association and SubAssociation shall prepare budgets for their operation, which budgets shall include a reserve fund for the maintenance of all Common Areas.

Section 10.06 Duty to Levy and Collect the Maintenance Charge. The Association and SubAssociation shall levy, collect and enforce the Maintenance Charge, SubAssociation Maintenance Charge and other charges and assessments as elsewhere provided in this Declaration.

Section 10.07 Duty to Provide Annual Review. The Association and SubAssociation shall provide for an annual unaudited independent review of their accounts. Copies of the review shall be made available to any Member who requests a copy of the same upon payment by such Member of the reasonable cost of copying the same.

Section 10.08 Duties with Respect to Architectural Approvals. The SubAssociation shall perform functions to assist the Committee as elsewhere provided in Article IV of this Declaration.

Section 10.09 Power to Acquire Property and Construct Improvements. The Association and SubAssociation may acquire property or an interest in property (including leases) for the common benefit of Owners including improvements and personal property. The Association and SubAssociation may construct improvements on the Common Areas and may demolish existing improvements.

Section 10.10 Power to Adopt Rules and Regulations. The Association and SubAssociation may adopt, amend, repeal and enforce rules and regulations ("Rules and Regulations"), fines, levies and enforcement provisions as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration, the operation of the Association or the SubAssociation, the use and

enjoyment of the Common Areas, and the use of any other property, facilities or improvements owned or operated by the Association or SubAssociation.

Section 10.11 Power to Enforce Restrictions and Rules and Regulations. The Association and SubAssociation (and any Owner with respect only to the remedies described in (b) or (c), below) shall have the power to enforce the provisions of this Declaration and the Rules and Regulations and shall take such action as the Board of Directors deems necessary or desirable to cause such compliance by each Member. Without limiting the generality of the foregoing, the Association and SubAssociation shall have the power to enforce the provisions of this Declaration and of Rules and Regulations of the Association by any one or more of the following means:

- a. By entry upon any property within Lake Ridge at Joe Pool Lake and the Subdivision after notice and hearing (unless a bona fide emergency exists in which event this right of entry may be exercised without notice, written or oral) to the Owner in such manner as to avoid any unreasonable or unnecessary interference with the lawful possession, use or enjoyment of the improvements situated thereon by the Owner or any other person, without liability by the Association or the SubAssociation to the Owner thereof, for the purpose of enforcement of this Declaration or the Rules and Regulations;
- b. By commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Rules and Regulations;
- c. By exclusion, after notice and hearing, of any Member from use of any recreational facilities within the Common Areas during and for up to sixty (60) days following any breach of this Declaration or such Rules and Regulations by such Member, unless the breach is a continuing breach in which case exclusion shall continue for so long as such breach continues;
- d. By suspension, after notice and hearing, of the voting rights of a Member during and for up to sixty (60) days following any breach by such Member of a provision of this Declaration or such Rules and Regulations, unless the breach is a continuing breach in which case such suspension shall continue for so long as such breach continues;
- e. By levying and collecting, after notice and hearing, an assessment against any Member for breach of this Declaration or such Rules and Regulations by such Member which assessment reimbursed the Association or SubAssociation for the costs incurred by the Association or SubAssociation in connection with such breach;
- f. By levying and collecting, after notice and hearing, reasonable and uniformly applied fines and penalties, established in advance in the Rules and Regulations of the Association or SubAssociation, from any Member for breach of this Declaration or such Rules and Regulations by such Member; and
- g. By taking action itself to cure or abate such violation and to charge the expenses thereof, if any, to such violating Members, plus attorney's fees incurred by the Association or SubAssociation with respect to exercising such remedy.

Before the Board of the Association or SubAssociation may invoke the remedies provided above, it shall give registered notice of such alleged violation to Owner, and shall afford the Owner a hearing. If, after the hearing, a violation is found to exist, the Board's right to proceed with the listed remedies shall become absolute. Each day a violation continues shall be deemed a separate violation. Failure of the Association, the SubAssociation, the Developer, or of any Owner to take any action

upon any breach or default with respect to any of the foregoing violations shall not be deemed a waiver of their right to take enforcement action thereafter or upon a subsequent breach or default.

Notwithstanding the foregoing, the Association shall have no authority to enforce any provision contained in Articles III or IV of this Declaration.

Section 10.12 Power to Grant Easements. In addition to any blanket easements described in this Declaration, the Association and SubAssociation shall have the power to grant access, utility, drainage, water facility and other such easements in, on, over or under the Common Area.

ARTICLE XI GENERAL PROVISIONS

Section 11.01 Term. The provisions hereof shall run with all property in Section 22A and shall be binding upon all Owners and all persons claiming under them for a period of forty (40) years from the date this Declaration is recorded, after which time said Declaration shall be automatically extended for successive periods of ten (10) years each, unless an instrument, signed by Owners (including Developer) who are entitled to cast not less than two-thirds (2/3rds) of the votes of all the Owners has been recorded agreeing to amend or change, in whole or in part, this Declaration.

Section 11.02 Amendments.

a. Articles I, II, V, VI, VII, VIII, IX and X of this Declaration may be amended or changed, in whole or in part, at any time by the written agreement or signed ballot of Owners (including the Developer) entitled to cast not less than two-thirds (2/3rds) of the votes of all of the Owners. If the Declaration is amended by a written instrument signed by those Owners entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Owners of the Association, such amendment must be approved by said Owners within three hundred sixty-five (365) days of the date the first (1st) Owner executes such amendment. The date an Owner's signature is acknowledged shall constitute prima facie evidence of the date of execution of said amendment by such Owner. Those Members (Owners, including the Developer) entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Members of the Association may also vote to amend Articles I, II, V, VI, VII, VIII, IX or X of this Declaration, in person, or by proxy, at a meeting of the Members (Owners, including the Declarant) duly called for such purpose, written notice of which shall be given to all Owners at least ten (10) days and not more than sixty (60) days in advance and shall set forth the purpose of such meeting. Notwithstanding any provision contained in the Bylaws to the contrary, a quorum, for purposes of such meeting, shall consist of Members (in person or by proxy) not less than seventy percent (70%) of all of the votes of the Members entitled to be cast. Any such amendment shall become effective when an instrument is filed for record in the Real Property Records of Ellis County, Texas, accompanied by a certificate, signed by a majority of the Board of Directors, stating that the required number of Members (Owners, including the Developer) executed the instrument amending this Declaration or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose. Copies of the written ballots pertaining to such amendment shall be retained by the Association for a period of not less than three (3) years after the date of filing of the amendment or termination.

b. Articles III and IV of this Declaration may be amended or changed, in whole or in part, at any time by the written agreement or signed ballot of Owners of Tracts in Section 22A (including the Developer) entitled to cast not less than two-thirds (2/3rds) of the votes of all of the Owners within Section

22A. If the Declaration is amended by a written instrument signed by those Owners entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Owners of the SubAssociation, such amendment must be approved by said Owners within three hundred sixty-five (365) days of the date the first (1st) Owner executes such amendment. The date an Owner's signature is acknowledged shall constitute prima facie evidence of the date of execution of said amendment by such Owner. Those Members (Owners, including the Developer) entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Members of the SubAssociation may also vote to amend Articles III or IV this Declaration, in person, or by proxy, at a meeting of the Members (Owners, including the Declarant) duly called for such purpose, written notice of which shall be given to all Owners at least ten (10) days and not more than sixty (60) days in advance and shall set forth the purpose of such meeting. Notwithstanding any provision contained in the Bylaws to the contrary, a quorum, for purposes of such meeting, shall consist of Members (in person or by proxy) not less than seventy percent (70%) of all of the votes of the Members entitled to be cast. Any such amendment shall become effective when an instrument is filed for record in the Real Property Records of Ellis County, Texas, accompanied by a certificate, signed by a majority of the Board of Directors of the SubAssociation, stating that the required number of Members (Owners, including the Developer) executed the instrument amending this Declaration or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose. Copies of the written ballots pertaining to such amendment shall be retained by the SubAssociation for a period of not less than three (3) years after the date of filing of the amendment or termination.

Section 11.03 Amendments by the Developer. Notwithstanding the foregoing, the Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to unilaterally amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record for any purpose it deems necessary to promote the development, including but not limited to, the correcting of any typographical or grammatical error, oversight, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested property or other rights of any Owner or his mortgagee. Additionally, Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of permitting the Owners to enjoy the benefits from technological advances, such as security, communications or energy-related devices or equipment which did not exist or were not in common use in residential subdivisions at the time this Declaration was adopted. Likewise, the Developer shall have and reserves the right at any time and from time to time prior to the control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of prohibiting the use of any device or apparatus developed and/or available for residential use following the date of this Declaration if the use of such device or apparatus will adversely affect the Association or SubAssociation or will adversely affect the property values within Lake Ridge at Joe Pool Lake or the Subdivision.

Section 11.04 Severability. Each of the provisions of this Declaration shall be deemed independent and severable and the invalidity or un-enforceability or partial invalidity or partial un-enforceability of any provision or portion hereof shall not affect the validity or enforceability of any other provision.

Section 11.05 Liberal Interpretation. The provisions of this Declaration shall be liberally construed as a whole to effectuate the purpose of this Declaration.

Section 11.06 Successors and Assigns. The provisions hereof shall be binding upon and inure to the benefit of the Owners, the Developer, the Association and the SubAssociation, and their respective heirs, legal representatives, executors, administrators, successors and assigns.

Section 11.07 Effect of Violations on Mortgages. No violation of the provisions herein contained, or any portion thereof, shall affect the lien of any mortgage or deed of trust presently or hereafter placed of record or otherwise affect the rights of the mortgagee under any such mortgage, the holder of any such lien or beneficiary of any such deed of trust; and any such mortgage, lien or deed of trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained.
